This manual is written to explain what true apostles of Jesus Christ look like in image and likeness in accordance with the face of God shining through Jesus Christ. In word and deed we will soon hear and see explosions of power on planet earth Christ chosen apostles and apostolic saints in these last days. The Father will once again pour out His Spirit upon the earth with latter rain power and visible demonstration of signs, wonders, and miracles. Through godliness and holiness the power of heaven will invade the earth through mature apostles who will train, lead, and activate the church of God into unprecedented victories over the powers of darkness. The keys of the kingdom will lock and unlock doors on earth in order that God's foreordained plans will break forth into all events both on earth and the heavens. Apostles along with the five ascension gifts of Christ will pioneer pathways that will cover the earth with victory, power, and divine governmental order. Salvation shall come to everyone that calls on and believes in the saving power of Jesus name. In the church we shall see the rough places made smooth, the mountains and hills of pride shall be brought low and the valleys of hopelessness and despair shall be exalted with the glory of Christ within the church.
